

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

BILLS OF COSTS,

As Allowed on Taxation ;

IN THE

**COURTS OF QUEEN'S BENCH, COMMON PLEAS,
AND EXCHEQUER.**

Michaelmas Term, 1840.

FOURTH EDITION, CORRECTED AND ENLARGED.

LONDON :

**A. MAXWELL, 32, BELL YARD, LINCOLN'S INN,
Late Bookseller to His late Majesty ;
MILLIKEN AND SON, DUBLIN.**

1840.

[Price 5s. 6d. extra boards.]

LONDON .
BRADBURY AND EVANS, PRINTERS, WHITEFRIARS.

THE alterations made in the practice of the Superior Courts of Law at Westminster, since the passing of the Act of Parliament for the more effectual administration of Justice in England and Wales, 11 Geo 4, & 1 Will. 4, c. 70, have necessarily caused very material variations in the costs allowed on taxation in those Courts. After the Rule of the Courts, T. 1 Will. 4, was pronounced for shortening Declarations, a principle of taxation was adopted in cases where that rule applied, that if the Debt amounted to £20 and upwards, and the Declaration was under 24 fo., the taxing officer was authorised to allow for Declaration, including Instructions, Copy, and Delivery, £1 18s.; and for close copy in country causes, according to length. For interlocutory Judgment, including Rule to plead, searching for and demanding Plea, drawing Judgment, Incipitur, entry on the roll Docket, and attending to sign Judgment and to Docket, £1 3s. 2d. For attending to tax, 6s. 8d. But the above was not to extend to cases in which several

actions were brought on the same bill or note, against several parties thereto.

And the taxing officer was authorised to allow at his discretion to a Plaintiff or Defendant, all such costs as should reasonably have been incurred after the commencement of the suit, notwithstanding the same might be such as had not theretofore been allowed between party and party ; but he was not authorised to allow more than one opinion on evidence by one Barrister or Pleader, and one consultation.

And for drawing all issues in fact or in law, in all the Courts 8*d.* per folio.

And since the passing of the late Act of Parliament for the amendment of the laws and the better administration of justice, 3 & 4 Will. 4, c. 42, the Courts of Law at Westminster have adopted a new scale of costs in all actions of Assumpsit, Debt, or Covenant, commenced after the 15th March, 1834, where the sum recovered or paid into Court, and accepted by the Plaintiff in satisfaction of his demand, or agreed to be paid on the settlement of the action, shall not exceed £20.

Provided that, in case of a trial before a Judge of one of the Superior Courts or Judge of Assize, if the Judge shall certify on the *postea*, that the cause was proper to be tried before him, and not before a Sheriff or Judge of

an inferior Court, the costs shall be taxed upon the usual scale.

At the head of every bill of costs produced to the taxing officer for taxation, it must be stated whether the sum recovered, accepted, or agreed to be paid, exceeds the sum of £20, or not, in the following form :—

Debt above £20.

Debt £20 or under.

The allowance to witnesses for travelling is to be the sum actually paid, and that not exceeding 1s. per mile, except under special circumstances.

No fee to counsel is to be allowed on writs of trial, except trials before the Sheriff's Court of London, or of other Courts of Record where attorneys are not allowed to practise, and then one guinea only.

The Bills of Costs and Allowances contained in this edition, are selected and made out according to the new regulations lately adopted by the taxing officers of the various Courts.

By Rule Trin. 1 Will. 4, it is " Ordered, that before taxation of costs one day's notice shall be given to the opposite party ;" and in the Exchequer it is compulsory to give the opposite party a copy of the bill and affidavit, and it is also usual to do so in the Queen's Bench and Common Pleas.

This rule was construed to extend to all cases whether the defendant had appeared or not, which in practice was found inconvenient : to remedy this, it is by R. H. 4 W. 4, s. 17, ordered, that “notice of taxing costs shall not be necessary in any case where the defendant has not appeared in person, or by his attorney or guardian, notwithstanding the general rule of T. 1 W. 4.” But the Judges have since decided that the taking out a summons in the cause for particulars, or an order to stay proceedings, is such an appearance as will entitle the defendant to a notice of taxing.

HILARY TERM, 2 WILL. IV.—R. 2.

—•—

(Debt and Costs to be indorsed on Writ.)

ORDERED, that upon everyailable writ and warrant, and upon the copy of any process served for the payment of any debt, the amount of the debt shall be stated, and the amount of what the plaintiff's attorney claims for the costs of such writ or process, arrest, or copy and service, and attendance to receive debts and costs; and that upon payment thereof within four days to the plaintiff or his attorney, further proceedings will be stayed. But the defendant shall be at liberty, notwithstanding such payment, to have the costs taxed; and if more than one-sixth shall be disallowed, the plaintiff's attorney shall pay the costs of taxation.

The indorsement shall be written or printed in the following form :—

“ The plaintiff claims £ for debt, and £
for costs.

“ And if the amount thereof be paid to the plaintiff or his attorney within four days from the service hereof, further proceedings will be stayed.”

And by Rule Michaelmas, 3 W. 4, it was ordered,

that the above rule should be applicable to all Writs of Summons, Distringas, Capias, and Detainer, issued under the authority of the Uniformity of Process Act, and to the copy of every such writ.

The following Bills of Costs, as allowed on taxation in all the Courts, will be a guidance to the practitioner in indorsing the writ, in compliance with these rules: charges made beyond that allowance will subject the attorney to the costs of taxation of his bill, and thereby deprive him of the fair profit which he would obtain by the proceeding.

The aggregate amount of Costs may be indorsed on the writ and copy without specifying the items.

In Middlesex the Remanet from the Sittings after Term to the first Sittings in the next Term is 2*l.*, as 10*s.* more is paid in Middlesex than in London for returning the Distringas.

In London, when the Cause goes over as a Remanet from one Term to another, and throughout the following Term, the Marshal charges only one Remanet, that is, a Remanet from the Sittings after the one Term to the Sittings after the following Term, passing over the intervening Sittings. The Attorney's charges will be regulated accordingly.—*Order of Chief Justice, Michaelmas Vacation, 1832.*

The Retainer and Consultation Fees and Counsel advising on Evidence, are discretionary with the Taxing Officer, as is also the number of Counsel allowed: in the latter, he is guided by the importance of the Cause and the number of Witnesses.

If the Attorney in the Cause had two Causes only at the Assizes, the allowance to him would be *One Guinea and a Half* per day each, and a *Moiety* of the Charge for Mileage; and if he had more than two Causes, the Charge would be One Guinea per day each, *but no charge for Mileage*.

If the Attorney who was a witness had any Cause to try at the Assizes, he would be allowed One Guinea only, unless he were detained after his own business was disposed of; in which case he would be allowed Two Guineas for each extra day's detention.

If the Managing Clerk conducts the Cause, the Attorney will be allowed for such Clerk's attendance, if he had no other business, £1 11s. 6d. per day, and 1s. 3d. per mile.

All fair and proper Costs, reasonably incurred after the commencement of the Action, will be in the discretion of the Taxing Officer to allow the successful party.

No Costs will be allowed on Taxation between party and party to a Plaintiff upon any Counts in the Declaration, or

upon any Issues upon which he has not succeeded ; and the Costs of all Issues found for the Defendant will be deducted from the Plaintiff's Costs.—*R. Hil. 2 W. 4, s. 74.*

And under the latter part of this Rule, it has been held that the Counts in the Declaration found for a Defendant are to be allowed, and deducted from the Plaintiff's Costs.

The expense of a Witness called only to prove the Copy of any Judgment, Writ, or other public Document, will not be allowed in Costs, unless the party calling him shall, within a reasonable time before the Trial, have required the adverse party, by notice in writing, and production of such Copy, to admit such Copy ; and unless such adverse party shall have refused or neglected to make such admission.—*R. Hil. 2 W. 4, r. 6.*

The expense of a Witness called only to prove the handwriting to or the Execution of any written instruments stated upon the pleadings will not be allowed, unless the adverse party shall, upon Summons before a Judge, a reasonable time before the Trial, (such Summons stating therein the name, description, and place of abode of the intended Witness,) have neglected or refused to admit such handwriting or execution ; or unless the Judge upon attendance before him shall indorse upon such Summons that he does not think it reasonable to require such admission.—*R. Hil. 2 W. 4, s. 7.*

By Rule H. 4 W. 4, s. 20, either party, after plea pleaded, and a reasonable time before Trial, may give notice to the other, either in town or the country, in the form thereby pointed out, or to the like effect, of his intention to adduce in evidence certain written or printed Documents ; and unless the party shall consent, by indorsement on such notice within forty-eight hours, to make the admission specified, the party requiring such admission may call on the party required, by Summons, to show Cause before a Judge why he should not

consent to such admission, or, in case of refusal, be subject to pay ~~the~~ Costs of proof: and unless the party required shall expressly consent to make such admission, the Judge shall, if he think the application reasonable, make an order, that the Costs of proving any Document specified in the notice, which shall be proved at the Trial to the satisfaction of the Judge or other presiding Officer, certified by his indorsement thereon, shall be paid by the party so required, whatever may be the result of the Cause.

Provided that, if the Judge shall think the application unreasonable, he shall indorse the Summons accordingly.

Provided also, that the Judge may give such time for inquiry or examination of the Documents intended to be offered in evidence, and give such direction for inspection and examination, and impose such terms upon the party requiring the admission as he shall think fit.

If the party required shall consent to the admission, the Judge shall order the same to be made.

No Costs of proving any written or printed Document shall be allowed to any party who shall have adduced the same in evidence on any trial, unless he shall have given such notice as aforesaid, and the adverse party shall have refused or neglected to make such admission, or the Judge shall have indorsed on the Summons that he does not think it reasonable to require it.

A Judge may make such order as he shall think fit respecting the Costs of the application, and the Costs of the production and inspection; and in the absence of a Special Order, the same shall be Costs in the Cause.

This Rule extends to every description of written Document, whether Deed, Letter, Policy of Insurance, Agreement, Bill, or Note, Marriage or other Register, Notice to produce Record, or other public Document.

If it be a heavy Cause, the Taxing Officer, in the exercise of his discretion, will allow to the successful party the Costs reasonably incurred in examining his Witnesses preparatory to Brief, in addition to the common instructions.

The Master hands over the Costs to the Plaintiff's Attorney, and if more than sufficient is deposited, he pays the surplus to the Defendant's Attorney ; if the Costs are taxed at more than the sum deposited, the amount, after paying to the Plaintiff the Deposit, will be added to the Costs in the Cause, on the final taxation.

If bail justify on a second notice, after having been opposed on the first notice, the Costs of the first opposition are allowed as Costs in the Cause ; but no Costs are allowed on the second opposition, it being a strict rule on taxation not to allow the Costs of opposing Bail when they justify.

It is incumbent on the Defendant to pay the Costs, when taxed ; if not paid within forty-eight hours after taxation, the Plaintiff may, without a formal demand of the Costs, sign final Judgment for nominal damages, tax his Costs thereon, and proceed to recover his taxed Costs by Writ of Execution.
—*Rule Hil. 4 W. 4, s. 19.*

If the Plaintiff proceeds after the Money is paid into Court, and afterwards stay, and take out the Money, the Defendant will be entitled to Costs subsequent to the payment of the Money into Court.

And if the Defendant before Declaration take out a Sum-

mons to stay proceedings on payment of a specific Sum and Costs, which the Plaintiff will not consent to, whereby no Order can be made, and the Defendant afterwards pays that amount into Court, which the Plaintiff then accepts in full, no Costs will be allowed him subsequent to the Summons ; but all Costs consequent on the Plaintiff's first refusal will be allowed the Defendant, unless the Plaintiff can show some good cause for his first refusal, and afterwards his acceptance of the money.

If the Plaintiff proceed to trial after money is paid into Court, and has a verdict against him, or is non-suited, or if the Defendant obtain Judgment as in case of a Nonsuit, no Costs, not even to the time of paying in the money, are allowed to the Plaintiff ; but in those cases the Defendant is entitled to Costs *ab initio*.

But where the money is paid into Court in several actions, which are consolidated, and the Plaintiff, without taxing costs, proceeds to trial on one and fails, he will be entitled to costs on the others, up to the time of paying money into Court.—*Rule Hil. 2 W. 4, s. 104.*

If the Defendant pay into Court a less sum than that for which he is arrested, which the Plaintiff accepts ; this is not a case within the Act 43 G. 3, c. 46, so as to entitle a Defendant to costs, for being arrested for more than is due.

When money is paid into Court under the stat. 3 & 4 W. 4, c. 42, s. 21, that is, in such personal actions as it is not of course to pay in money, an application for the purpose must be made to the Court if in Term, or to a Judge if in Vacation, who will direct the money to be paid in upon such terms as shall be thought fit.

The condition in life of the witnesses, and the distances they reside from the attorney and from the assize town, and the number of days they are absent, together with the sum paid to each witness for travelling expenses, should also be accurately stated; and where an attorney is a witness, it should be stated whether he was attending in any other cause at the same assizes, as attorney or witness. The affidavit should also show the commission-day, and the day on which the cause was tried.
